

LVCART introduces the Pet Oxygen Mask Campaign

LVCART is coordinating the purchase of Wag’N O2 Fur Life® Kits to every Fire Department in Lehigh and Northampton counties.

Far too many pets die unnecessarily each year from smoke asphyxiation and carbon monoxide poisoning as a result of house fires. Even when firefighters are able to get pets out safely they are quite often unable to revive them without the proper equipment — pet oxygen masks can make the difference. LVCART is sponsoring this donation program to make sure all the departments in the Lehigh and Northampton counties are capable and equipped to save a pet’s life.

The Wag’N O2 Fur Life® Kit includes:

- 3 Oxygen Masks (1 small, 1 medium & 1 large)
- 3 Oxygen Air Tubes (1 for each mask, 22 mm diameter)
- 1 Wag’N O2 Fur Life Carry Bag (for storage & mobility)
- 1 Laminated Instruction Sheet (includes ABCs of CPR For Cats & Dogs)
- 1 Wag’N Leash (for animal restraint & control)
- 2 “Pet Oxygen Masks On Board” Decals (for display on vehicle and in department)
- 1 PowerPoint Presentation (for personnel training)
- 1 Wag’N Instructional DVD “Pets Need Oxygen Too” (1 per order)
- NEW! 2 Animal Incident Report (AIR) Forms for First Responders (carbonless 3-part)
- NEW! Pet Rescue Notice Form (printable document, PDF).
